

CRC CHAMPIONSHIP 2026

5 PATHS TO VICTORY

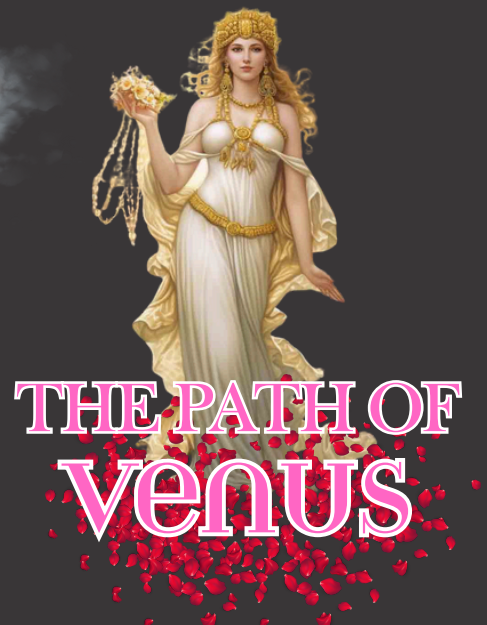

OVERVIEW

Welcome to the 2026 Caerleon Running Club Championship!

As with last year, the championship will be split into 5 smaller championships (Paths) modelled after a God from the Roman Pantheon.

Each of these highlights a different aspect of Club Life and has it's own awards and prizes meaning absolutely anyone in the club is able to achieve greatness!

This guide has been created as an easy reference point to tell you which events are included, how you can score points and explains the scoring systems (which have been tweaked slightly this year following members feedback)

THE PATH OF JUPITER

In the path of Jupiter, there are a wide variety of public races covering a range of distances and terrain types - so there should be something for everyone to enjoy!

Any member who takes part in at least 8 events will earn themselves a Path of Jupiter Medal

Scoring System

In every one of these events, you will score Path of Jupiter points as follows:

Position	Points
1st	50
2nd	42
3rd	35
4th	29
5th	24
6th	20
7th	19
8th	18

From 6th Position Onwards, the amount of points accrued goes down in intervals of 1

Men & Women are scored separately, so both the first Man and Woman would get 50 points etc.

**At the end of the year, the top male and female scorers will win themselves
The Path of Jupiter Champion Trophies**

SUMMARY

I hope you enjoy the 2026 Championship!

The 2025 series was a huge success which we hope to build on in the 2026 season!

The format is largely the same with some minor changes to the points systems that we believe succeed in making the competition both fairer for all and more competitive at the top end.

Most Path of Jupiter and Path of Faunus events do not have dates set yet but I will be putting them on heja and putting out monthly brief posts as and when they are announced to keep you all informed.

I also aim to be putting out the full current standings monthly in the hope that giving everyone a clear idea of where they stand will encourage even higher levels of participation!

If any of you have any questions regarding anything within this document then please do get in touch and I will be happy to go over it with you.

You can reach me via facebook messenger, heja or on caerleonrcchampionship@gmail.com

Finally, another huge thank you to you all for supporting me through my two years managing the championship and especially as I've tried to get this new format off the ground in 2025! It really does mean the world to see it being engaged with and enjoyed!

- Christian Ford

GOOD LUCK
EVERYBODY!
